

It is long overdue since we communicated with the world out there, and a lot has happened at Justicia that could benefit you or your business during this time.

In spite of the adverse economic conditions that continue to prevail, worldwide and which are impacting on our own desired growth rate in South Africa, we at Justicia have introduced several marketing initiatives to provide improved access to our services.

TWITTER

You can now contact us via TWITTER – <http://twitter.com/#!/justicia> to follow news of our industry and where we believe we can be of service to you. Link up to us and watch this space for the latest trends in terms of methods of crime and preventative measures!
